| Product Type  | IP67 XLR Plug |  |
|---------------|---------------|--|
| Product Model | SCWF5-B-67    |  |

#### **Product Features**

- > 5-core waterproof XLR female cable connector with black plated housing and gold plated contacts
- > Durable and ruggedly sealed XLR connector used for outdoor conditions with protection grade IP67
- > Rugged zinc die-cast shell for long life and high reliability
- The metal housing is designed with internal threads to ensure that it can withstand gravity pressure under any site conditions
- > The boot is equipped with a polyurethane sealing sleeve to prevent the cable from bending pressure to the greatest extent.

| Product Parameters |               |
|--------------------|---------------|
| Item               | Specification |
| Connection Type    | XLR           |
| Gender             | Female        |

#### **Electrical Parameters**

| Item                         | Specification     |
|------------------------------|-------------------|
| Capacitance between contacts | ≤ 7 pF            |
| Contact resistance           | ≤ 3 mΩ            |
| Dielectric strength          | 1.5 kV DC         |
| Insulation resistance        | > 10 GΩ (initial) |
| Rated current per contact    | 7.5A              |
| Rated voltage                | < 50 V            |

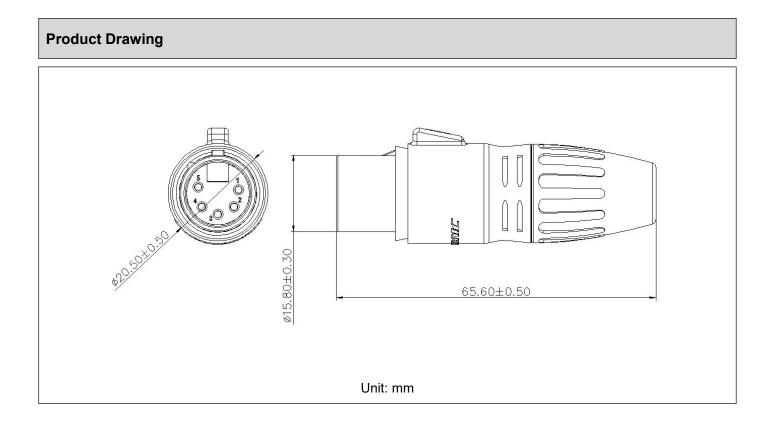

| Mechanical Parameters |                             |
|-----------------------|-----------------------------|
| Item                  | Specification               |
| Cable O.D.            | 5-8 mm                      |
| Insertion force       | ≤ 20 N                      |
| Withdrawal force      | ≤ 20 N                      |
| Service life          | > 1000 mating cycles        |
| Cable size            | Max. 1.0 mm²<br>Max. 18 AWG |
| Locking device        | Latch lock                  |

| Material and Environmental Parameters |               |
|---------------------------------------|---------------|
| Item                                  | Specification |
| Boot                                  | Polyurethane  |
| Contacts<br>触点                        | Cu alloy      |
| Contact plating                       | Au            |
| Insert                                | Polyamide     |
| Housing                               | Zinc diecast  |
| Housing plating                       | Black plating |
| Strain relief                         | РОМ           |
| Flame-retardant grade                 | UL 94 HB      |
| Protection class                      | IP67          |
| Temperature range                     | -30°C ~ +80°C |

| Standards and Certifications |                           |
|------------------------------|---------------------------|
| Standards                    | IEC 61076-2-103           |
| Solderability                | Complies with IEC 68-2-20 |

#### **Packaging Method**

1 pc per bag (include 1 pc each of inner core, housing, waterproof cable clamp, boot) 80 pcs per inner carton, 5 inner cartons per master carton (400 pcs per master carton)

# Accessory Image: No accessories Image: Back fastener plate Image: Screws and Nuts Image: Other

| Assembly Instructions  |  |  |
|--|--|--|
| (1) Put the cable through the boot and waterproof cable clamp                        |  |  |
| (2) Strip the cable in the size as shown   |  |  |
| (3) Insert the conductor of the cable into the terminal of the inner core and solder |  |  |
| (4) Insert cable into the clamp and clip into the inner core bayonet                 |  |  |
